SML Group,

We are writing to you about the air conditioner quotes for the project that we have offered to change.

Our supplier mentioned to us that the prices of air conditioning equipment would rise up to 7% due to customs taxes and increased import costs. We want you to be aware of this, so that it can be considered in the offers that we have made to you.

We also want to let you know that the 5% discount in the cost of labor has been authorized when receiving the project in favor of our Company.

Please let us know if you have any questions and we will be happy to discuss further.

Kind regards,

Donald Torres

Operations Manager
